

Laura Goldfinch - Owner  
627 East State Road  
American Fork, UT 84003  
March 29, 2017

To Whom It May Concern:

I have successfully owned my own business for 20+ years. I was in business for 10+ years in Washington contracting my paralegal services to personal injury attorneys.

In October of 2007, I opened my first independent coffee shop (Beany's) in American Fork, Utah. Prior to opening my coffee shop, and in preparation for my new venture, I spent over a year researching the coffee business and attending a coffee business school in Oregon and barista training classes in Seattle, Washington. Since 2007 I have annually attended classes through Specialty Coffee Association and Coffee Fest to gain more knowledge and training in customer service and running a small business.

In October of 2014 I opened my second drive thru coffee shop. I am currently negotiating a lease for a third location.

Emma Christiansen was hired in September of 2016 as a cashier/barista. She has excelled as a barista. Her responsibilities include counting in the till, ringing out customers, assisting customers and making drink suggestions to customers, resolving customer complaints, reporting problems to management and assisting in resolution of the issue, making the specialty drinks, keeping the shop clean, product inventory, making a list of products needed, counting the till at end of shift and making a deposit.

Sincerely,

A handwritten signature in black ink, appearing to read "Laura Goldfinch", is written over the typed name and title.
